The Curriculum Review Committee and the Graduate Program

Dear Members of the Curriculum Review Committee:

I am pleased to have the opportunity to discuss the Graduate Program with you. The Graduate Program is a vital part of our institution, and your input is essential to its success.

The Graduate Program is currently reviewing the curriculum to ensure it remains relevant and challenging. We are particularly interested in your views on the current courses and the proposed changes.

We would appreciate your feedback on the following points:

1. The current curriculum and the proposed changes.

2. The proposed changes to the curriculum, including the new courses and the changes to the existing courses.

3.

4. The proposed changes to the curriculum, including the new courses and the changes to the existing courses.
